Subject: **Apply for the post of senior Web Developer.**

Dear Mr. Ayman Sadiq,

As a Web Developer with a history of creating for private clients, media agencies, and event management companies. I am excited to submit my application for the Senior Web developer position with the 10-minute school.

I am a student at the Daffodil International University of Computer Science and Engineering. With more than 2-years of experience supporting production needs with my technical and developing skills. **I worked for 1 year as a senior executive developer of the 'TECH-GATOR'.**

My strengths include Web Development and Graphics Design. I am proficient in numerous relevant computer programs. Especially, Adobe Premier Pro, After Effects, and Photoshop. **Currently, as a Web Developer I manage to assemble and developing website for 50+ projects, including Blog post and E-commerce Websites.**

It would be a pleasure to learn more about the 10-minute school's needs and I would welcome the chance to provide further insight into my technical abilities and personal attributes. Thanks for considering my candidacy for this position. I hope to hear from you soon.

sincerely,

SADIK HASAN FAHIM
